decent working conditions, the regulation of labor law, ... This summary of the complex background must be supplemented by reading ... book And finally, last but not least, ... - We all know that already," someone in the audience muttered. - I wonder what you think your grandmother would say about this... - ... And you're still talking about the law... - ... No, can you imagine... - ... And you call it... - ... Don't you think... - ... Something needs to be done about it... - ... I think that we should... - ... Well, you can think that, of course, but we're not interested... - ...
