
The Bird And The Bee Discography Rar ((NEW))

Some great music from the 1960s has gone missing in a decade of tens of thousands of singles released every year, we've rounded up the best singles from the 60s. (For a complete list, please check out the 60s for what was a hit.) This list contains the most successful singles of the 60s in terms of sales and Billboard Hot 100 rankings. If you want to read about a particular single, click on the title of the song description and then click on the play video button. We have also included the greatest hits of each single. If you want to know the details about the song or see how it sounds, click on the song title.
